

# Get "Carried Away" with Books

*Spend some time reading this summer. Reading a good book can "carry you away" to far away places! Think about one book you read this summer.*

- ◆ On the hot air balloon write 2 or 3 sentences about your favorite part of the book or any interesting characters you met in the book.
- ◆ You may want to draw a picture of the character you liked the most or your favorite part of the book.
- ◆ Color the hot air balloon, but not over your writing.
- ◆ Cut out the balloon and bring it in on the first day of school in September.
- ◆ You will share your book summary with your new teacher and classmates.

**HAVE A SUPER SUMMER!**

Title: Where the Wild Things Are

This was a great book about a boy and his imaginary trip to a far away land. Max was my favorite character! He likes to give orders to the creatures in the forest.
