

Fifth Grade Supply List 2020-2021

It is suggested that your child bring the following supplies with them on the first day of school. ***Please label all folders with your child's name and the name of the appropriate subject before the first day of school. Label all markers, scissors, etc. with your child's name as well.***

With the exception of Math, schoolwork will be done in blue or black ink; therefore, other types of pens, like jelly roll pens, may not be used for daily assignments.

Each student needs pencils, pens, and notebook paper from the first day of school to the last. Please bear in mind that it may be necessary to replace other items during the school year if your child loses them or if they wear out.

As always, thank you for your cooperation and continued support. We look forward to working with your child in September.

The Fifth Grade Team
