EXCITING MENU

Pomptonian is proud to pilot the Organic program this January. Our Village Fresh chefs have put together a menu that is healthy, flavorful, and visually appealing. An increased variety of homemade, nutritious meals are now offered. The menu features an increasing variety of fresh chef prepared selections such as organic baked macaroni and cheese, organic grilled cheese sandwiches on soft wheat bread, an organic pasta salad bento box, and organic chicken and cheese quesadillas. Fresh fruits and vegetables are available with every lunch. Organic milk may be added to your child's meal.

FARM TO TRAY

As part of our Farm to Tray initiative, each month Pomptonian's Fruit and Vegetable of the Month feature produce from local farms. "Local" includes New Jersey, Pennsylvania, and New York.
