December 20, 2021

FOR IMMEDIATE RELEASE

BERKELEY HEIGHTS – The 2022-2023 registration process for Kindergarten and new First and Second Grade students in the Berkeley Heights School District will be available starting Monday, December 20, 2021.

Registration for next school year will be a two-part process. First, parents/guardians will enter their student's information by accessing the registration link at www.bhpsnj.org/mcmillin or www.bhpsnj.org/woodruff. Upon completing the online registration, parents/guardians will schedule an in-person appointment for January 11, 13, 18, 20, 25, 27, 31 or February 2, 4, 2022, at either Mary Kay McMillin Early Childhood Center, 651 Mountain Avenue, or William Woodruff, Briarwood Drive West, to submit required documentation.

Children who will reach 5 years of age on or before October 1, 2022, will be eligible to attend Kindergarten in September 2022. Parents/guardians of children who are currently attending private Kindergarten programs but are planning to have their children attend First Grade in the Berkeley Heights Public Schools should also complete the two-part registration process described above.

Please visit the Mary Kay McMillin Early Childhood Center website at www.bhpsnj.org/mcmillin or the William Woodruff website at www.bhpsnj.org/woodruff for more information about Kindergarten and First Grade registration for the 2022-2023 school year.
