

The Project Graduation Committee of
Governor Livingston High School

is proud to continue . . .

A Personalized Paver Fundraiser Project
To Recognize and Honor
Past and Present Members of the GLHS Community

All alumni, family and friends of Governor Livingston High School are invited to purchase personalized pavers to be placed into Highlander Way, the constructed paver walkway near the flagpole at sword rock. Highlander Way is an opportunity to commemorate your graduation, honor family and friends, memorialize achievements or recognize individuals.

Personalized pavers are offered for \$100/each, with proceeds benefitting Project Graduation.

Project Graduation is the all-night, alcohol and drug-free celebration for the graduating seniors. A tradition at Governor Livingston since 1989, Project Graduation receives no funding from the school budget. Monies to support this \$25,000 yearly event are raised through fundraisers, grants, business, professional, and parent donations and participant contributions. The Project Graduation Committee is a branch of the Governor Livingston PTO, which has received tax-exempt status under Section 501c3 of the Internal Revenue Code.

Accordingly, all donations are tax deductible to the extent allowable by law.

Leave your mark on Highlander Way.
Support Project Graduation and order your personalized pavers today!

Orders for pavers are taken year-round. All orders will be installed in the spring of the school year. The deadline for the spring 2022 installation is March 31, 2022. While it is our hope that the pavers will be installed in time for graduation, we cannot guarantee an exact date.

Orders received after the deadline will not be installed until the Spring of the next school year (Spring 2023). We're sorry, there are NO exceptions to this deadline

Thanks to JL Franchino Inc, Berkeley Heights, NJ for their continued involvement in this project.

For Spring 2022 installation,
order deadline:

March 31, 2022

Orders received after March 31, will
be held to install in the spring 2023.
