Welcome

Welcome to Naviance! Family Connection is a comprehensive website that can assist you in making decisions about colleges and careers. Family Connection is linked with Counselor's Office, a service that guidance uses to track and analyze data about college and career plans. Naviance provides up-to-date information that's specific to Governor Livingston.

Family Connection will allow you to:

- Get involved in the planning and advising process— Build a resume, complete on-line surveys, and manage timelines and deadlines for making decisions about colleges and careers.
- Research colleges – Compare GPA, standardized test scores, and other statistics to actual historical data from GL for students who have applied and been admitted in the past.
- Sign up for college visits— Find out which colleges are visiting GL and sign up to attend those sessions.

What should you look for on Naviance?

- "My Resume" is a great tool to help you list activities you've participated in and your accomplishments.
