

Dear Families;

In this season of gratitude, I would like to take a moment to express my appreciation for all of the Berkeley Heights Public School staff. They are truly essential employees and have been doing an excellent job in a challenging situation. We also understand that you, as families, have had to adjust to the hybrid learning model and to be flexible when things change rapidly and sometimes unexpectedly. I truly express my gratitude to you for your flexibility as we navigate through this pandemic.

We are happy to announce that the majority of our students who were quarantined at Governor Livingston High School have been released from their quarantine and most have recovered. While I will list the number of total cases we have had in this letter, moving forward, I will only announce the new/active cases.

Total Cases 11/5-11/20 (includes Active and Recovered):

Staff member - 1

Active Cases as of 11/20:

We wish everyone a safe and Happy Thanksgiving holiday. Thanks again for your continued partnership.

Sincerely,

Dr. Melissa Varley
