Good afternoon,

First, I want to thank Dr. Janosko and Ms. Ringwood and the GL Pandemic team for all of their hard work the past few days. They have made hundreds of phone calls.

For an update on our numbers, we have 18 confirmed positives at GL, CMS has 4 confirmed positives, and Mountain Park has 1. Regarding CMS and Mountain Park, those students were not present in school when they contracted Covid. Therefore, their classmates and teachers do not have to quarantine.

As a reminder, GL will be remote until 11/19. However, the remainder of our schools will be open on 11/9. Reminder that for grades 1-5, we will be bringing all students back in, except for those who have chosen remote. I want to remind you that car lines will be long. Make sure your children are ready to get out of the car when you pull up. We need everyone to be efficient to make this process as smooth as possible. Columbia's hours will extend.

Have a great weekend.

Sincerely,

Dr. Melissa Varley
