School Highlights Reported by the District

- All the students benefited from technology enhancements to support and enrich the curriculum. Grades 2-5 received Chromebooks.
- A creative new elementary schedule was implemented to provide for more opportunities to collaborate, differentiate & personalize instruction to meet the learning needs of all students.
- Security and Safety continues to be in the forefront. The Berkeley Heights Police Department continue to be visible around and in the school on a daily basis.

How did students perform on assessments?

Students that met or exceeded expectations on statewide assessments

English Language Arts

82.5%

Math

71.8%

Are students at risk?

Students that were absent for 10% or more of days enrolled

Chronic Absenteeism

How does student growth compare to other students?

Median Student Growth Percentile

Each student gets a **student growth percentile** from 1 to 99 for English (4th to 8th grade) and Math (4th to 7th grade) that explains their progress compared to students who had similar test scores in the past. If the student growth percentiles for all students in the school are ordered from smallest to largest, the **median student growth percentile** is the percentile in the middle of that list.

English Language Arts

46

Math

52.5
