

Mathspace for Parents

How do I set up an account?

1. Have your student log into their account. And click on the three lines on the upper left corner. This will bring up a menu where you can select their settings.

2. Scroll down on the settings page and find add a parent or guardian. Enter the email address that you want to use to monitor the student's account.

3. Check your email and follow the directions to setup a password for the parent account.

More information on the Parent Dashboard can be found at the link below.
