Dear Student and Parent(s):

Welcome to the 2018-2019 school year and to *Naviance Student*! This recent update is an engaging, mobile-responsive replacement for *Naviance Family Connection*. You will find that the features are similar, however, the layout/location has changed. *Naviance Student*, like *Family Connection*, is accessible to both students and parents. In order to access *Naviance Student*, please use the same username and password utilized to access *Family Connection*.

To familiarize yourself with the latest updates, please take a few minutes and view the links created by Naviance below:

Please know that school counselors will also be demonstrating these updated features of *Naviance Student* during the classroom lessons this school year.

If you have any questions or difficulties logging in, please contact the GL Counseling Department.

Sincerely,

GL Counseling Department
