Dear Parents/Guardians:

The Activity Participation Fee Program became effective October 15, 2010. Students participating in extracurricular activities at Governor Livingston High School are required to pay this fee in order to participate. There is a secure online payment system available for your use, at [www.payschoolscentral.com/](http://www.payschoolscentral.com/). Activity fees must be paid in full prior to the first activity meeting or event or your child will not be permitted to participate.

### **Governor Livingston High School**

- Students participating in at least one sport and any activities during the 2023-2024 school year must pay a fee of \$200.00
- Students participating in activities but NO sports must pay a fee of \$100.00.
- The maximum fee for a family is \$400.00.

The fee for students in the free and reduced lunch program will be waived. Any family that is experiencing financial difficulties should contact our Business Administrator, Julie Kot, at (908)464-1601 to discuss the possibility of waiving or reducing the fee.
