- **Camp Invention® is returning to Berkeley Heights Public School**

District! In partnership with the National Inventors Hall of Fame® (NIHF), Berkeley Heights Public School District is pleased to offer the nationally acclaimed Camp Invention® program to children entering kindergarten through sixth grade. It's an exciting, weeklong summer adventure with lessons that explore connections between science, technology, engineering, and innovation. Children work together to create solutions to real-world problems and build critical 21st-century skills while rotating through several high-energy, hands-on modules. This year, our Camp Invention program will be virtual so activity kits will be delivered directly to you and daily virtual sessions will be led by a local educator. Your child will have everything they need for an amazing week of STEM fun.

Early registration discounts are available! Register using SUM40 by Mar. 31 to save \$40 off the \$295 registration fee.

Availability is limited. Visit invent.org/mylocalcamp or call 800-968-4332 to secure your child's spot today!
