

Thomas P. Hughes School

News for Families

March 12, 2021

- Please help keep our students safe. Drop off and pick up students directly along the curb only. Students have been seen getting in and out of cars in the “passing lane.” This can be extremely dangerous. In addition, parents should cross the lot to meet their children on the playground. PLEASE do not wait for your children in the parking lot and expect them to cross the carline by themselves.
- **Kindly do NOT park on the pickup line. Remain in your car at all times.**
- **[LifeTouch school photo reminder](#)**
- Please note that the CogAt assessment for grades 3 and 5 has been rescheduled for late April and will be administered in a new online format. More information to follow.
- Hughes School has seen several positive cases of Covid this week. As a result, our full fifth grade has reverted to remote learning, and several students across multiple grade levels are quarantining. Although it has been a full year of managing the pandemic, it is still as important as ever to follow health protocols. If family members are ill, please strongly consider having your children participate virtually instead of in-person. In addition, be extra careful with sports and recreational activities outside of school. We need everyone’s help to keep our classes and school open. Thank you for your support.
- Flyers for community based events can be found on the district website. [This](#) is the link.
